

JCU Research Festival

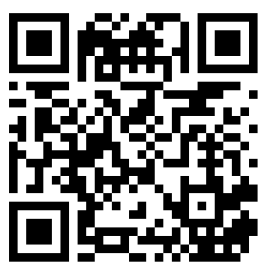

10-26 August 2026

The JCU Research Festival brings together researchers, students, industry and community to exchange ideas, share knowledge, and spark new collaborations.

From 10-28 August 2026, events across Cairns and Townsville will showcase how JCU research is contributing locally and beyond.

Festival Highlights

- ✓ Three Minute Thesis (3MT) Final
- ✓ The JCU Research Awards
- ✓ Research communication workshops
- ✓ Panel discussions and practical "how-to" sessions
- ✓ Industry networking and collaboration opportunities
- ✓ Research showcases across disciplines
